- Worked with a small team on the ongoing development and support of a large scale Siebel CRM deployment.
- Liaised on-site with project stakeholders when performing requirements analysis and presenting completed projects.

EDUCATION

Aberystwyth University, Aberystwyth. **Sept. 2007 to June 2012**

MEng (1st Class Hons) Software Engineering

ADDITIONAL
INFORMATION

Other Skills: Fluent Welsh speaker.

Other Achievements: Passionate about good mental health and fundraise for the Mental Health Foundation. Raised £1,102 through bake sales and sponsorship to run the Hackney Half Marathon in 2017. Followed this up April 2019 by running the London Marathon and raising £2,326.

Interests: Some of my interests include video games, reading and travel. Within the past year, the best game I've played is Civilization VI, the best books I've read are Born to Run by Christopher McDougall and Salt Fat Acid Heat by Samin Nosrat, and the best destination I've visited was Milford Sound, New Zealand. I'm also a keen baker.
